Dear all,.

Please pray for Ka Yin's friend W. She is very sick (Hepitatis B) and Ka Yin feels very sad. Ka Yin has shared with her, we hope that the Spirit can work in her heart. Also, please pray for R. Ka Yin shared with her this week, we also hope that she can understand our story more and more.

A group is coming to visit us next week. Please pray that all who come will catch His vision for the region. At the same time, an immense opportunity of partnership came up suddenly. Wu Fung need wisdom to decide which one to attend and which one to delegate to others.

On 23rd May, Ka Yin's mother will go to the hospital to do a test for her kidney. Some of our friend told us that it seems more serious than we thought. Please pray for good diagnosis and treatment from the doctor, and that she can experience His healing.

Finally, we are pondering whether we should move to another house. Please pray for wisdom to choose and to make the decision.

Wu Fung, Ka Yin
